

# MARSHALL CUP – Assigned Games

Listed below are the members who have signed up to play in the Marshall Cup. Each week, four players visit two different clubs and four players remain here to host the two clubs which will visit us. The games are INDIVIDUAL Match Play, played in twosomes as team A players (lower handicap) and team B players (higher handicap).

Please arrive at the club ONE hour before the tee time on the date of play to socialize with the competition over complimentary coffee & muffins and receive the score cards. Make note of the DATE and TIME for your match.

**The members below STAY HOME to:**

**MARSHALL Worksheet**  
 (Preparing and Recording information)  
**WEEK 1**

**HOME Games**

**Visiting Club Name:**

Date/time	A Player Names	Hcp Factor	Hcp converted (Max 36)	Strokes	Results of games
Home Player					H
Visiting Player					V
Home Player					H
Visiting Player					V

**Visiting Club Name:**

Date/time	B Player Names	Hcp Factor	Hcp converted (Max 36)	Strokes	Results of games
Home Player					H
Visiting Player					V
Home Player					H
Visiting Player					V

Obtain the handicap factors from the club rep, Pro or RCGA website on Friday prior to the week of play. Convert them to your club's course handicap to calculate the strokes (for home games). A maximum 36 handicap is allowed for the stroke calculation. Show your calculations on the cards.

## MARSHALL CUP - PLAYER Information

Check score cards for Hcp calculations and stroke allocation prior to teeing off  
Matches consist of 18 continuous holes, except in the case of lightning.  
- Visiting team tees off first

### SCORING

1 point for **winning** the hole; ½ point for **tying** the hole; 0 points for **losing** the hole **PLUS**  
2 points for **winning** the match; 1 point each for **tying** the match; 0 points to club **loosing** the match  
- Record each player's actual score, as well as match points on the scorecard (to avoid discrepancies).  
- Each match has a total of 20 points (18 holes plus 2 points for a win, or 1 each for a tie)  
- If the match is not completed after tee off (eg lightning), each player will split the remaining points for the un-played holes, using ½ point per hole.

Please CONFIRM the resulting totals of each player based on who won/lost match, before teeing off on the next hole

### Exceptions

- If the weather is not suitable or the course is deemed not playable by tee time, the players **by mutual consent** will decide if they will play the match or not. The points are then split equally so each club receives 10 points.  
- If a team **defaults**, the defaulted club receives 12 points; the defaulter club receives 0 points.

### RULES

**2019 RCGA rules** are used for the games.

No winter rules – play the ball as it lies, except for local rules.

If playing on temporary greens, players must continue putting until holed out.

### Reporting Results

Please phone Marshall rep immediately after the game, as we must submit the results to the Marshall Chair the same day or the club receives a penalty.

**HAVE FUN and GOOD GOLFING**
