PODERSKY CUP - PLAYER Information

Check score cards for Hdcp calculations and stroke allocation prior to teeing off

Matches consist of 18 continuous holes, except in the case of lightning.

- Visiting team tees off first
- Lower handicap player tees off the first hole (playing odd holes).
- Higher handicap player tees off on the second hole (playing the even holes).

SCORING

1 point for **winning** the hole; ½ point for **tying** the hole; 0 points for **losing** the hole **PLUS**

2 points for **winning** the match; 1 point each for **tying** the match; 0 points to club **losing** the match

- Record each team's actual score, as well as match points on the scorecard (to avoid discrepancies).

- Each match has a total of 20 points (18 holes plus 2 points for a win, or 1 each for a tie)

- If the match is not completed after tee off (e.g. lightning), each team will split the remaining points for the unplayed holes, using ½ point per hole.

Please CONFIRM the resulting totals of each team based on who won/lost match, before leaving the green

Exceptions

- If the weather is not suitable or the course is deemed not playable by tee time, the players **by mutual consent** will decide if they will play the match or not. The points are then split equally so each club receives 10 points.

- If a team **defaults**, the defaulted club receives 12 points; the defaulter club receives 0 points.

RULES

2019 GC rules are used for the games.

No winter rules – play the ball as it lies, except for local rules.

If playing on temporary greens, players must continue putting until holed out.

Reporting Results

Please phone Podersky rep immediately after the game, as we must submit the results to the Podersky Chair the same day or the club receives a penalty.
